

# Recognising Teaching Excellence Workshops

Recognising Teaching Excellence (RTE) workshops are all about YOUR career and accomplishments as a medical educator.

If you are a teacher, researcher or manager who is actively involved in the education of medical students and doctors, and who cares about improving professional practice and developing skills as a medical educator, RTEs offer a constructive, confidential and structured environment in which to reflect on your portfolio of achievements and help prepare you to take the next steps in your career.

**Attending an RTE workshop will:**

- ▶ Give you a thorough understanding of the Professional Standards for Medical Educators enabling you to map your skills and achievements against them;
- ▶ Help you reflect on your achievements and skills and plan your future career development;
- ▶ Provide an opportunity for you to assemble and organise your evidence for appraisal and revalidation;
- ▶ Encourage you to learn and practise new skills in professional writing, including how to write reflectively, and how to make assertive and realistic claims for your career accomplishments;
- ▶ Offer new ways to recognise, reflect on and articulate your professional values as a teacher, scholar and manager in medical education;
- ▶ Develop confidence in preparing an application for fellowship or membership of the Academy and help you craft your application.

**Content includes:**

- ▶ Standards and accreditation for medical education professionals;
- ▶ Definitions of educational scholarship;
- ▶ Reflective and descriptive approaches to professional writing
- ▶ Review of the core values and five domains of the Professional Standards for Medical Educators;
- ▶ The Academy's Recognition Scheme and, in particular, the distinctions between "commitment", "achievements" and "significant achievements" in medical education;
- ▶ A certificate of attendance plus CPD points where appropriate.

The Academy can set up and run these workshops in your locality or workplace (minimum number 20 attendees). All Corporate Partner organisations are entitled to an RTE once a year on request.

To find out more about RTEs and what membership of AOME can offer you and to apply online please visit our website:
